

# KETAMINE-ASSISTED Group Therapy

## JOIN US!

Deepen your healing journey by exploring the vast potential of psychedelic medicine in community with others.

### GROUP INTENTIONS:

- Attune and connect to your inner self
- Experience common humanity; know you are not alone
- Embody feelings of relief, joy, peace, balance, and clarity
- Understand yourself, others, and life from another perspective
- Release beliefs and patterns that no longer serve you
- Give and receive support to others on similar journeys

 SATURDAYS at 10:00AM

 2/1/25 - 3/8/25

 1557 N. Ogden St.
